Agencies',

Simplot has requested a meeting to discuss the proposals set forth in the Smoky Canyon Mine RIFS Tech Memo #2, which you should have recently received.

It is proposed that we schedule that meeting for May 18th, at 1300 hrs. (1:00 PM), method to be determined based on what works the best with the current lockdown situation.

If this doesn't work for you, please let me know, so we can propose an alternative time and date.

Thanks
Arthur Burbank
